Stock Photography & Video Usage Information

To receive a quote for stock Photography, or Video Usage Rights, terms and conditions, please e-mail or fax (781-848-8810) us with the following information.

On your company, or organization letterhead state the purpose and usage requirements of your project (i.e. Broadcast news story for local Boston market with One Time Rights).

Rates for photography are negotiable dependent upon end usage. All sales include One Time Rights Usage per photograph. Rates will be adjusted for multiple usage and larger stock sales.

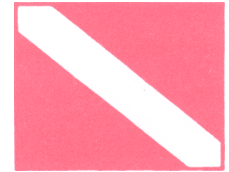

Video is licensed at the rate of \$600.00 per program minute with a minimum order of \$300.00. Rights granted with video purchases will vary per project.

If you do not know what your usage requirements are, please call 781-848-8870.

We will then reply with a price quote for your project.
